Law firm gives awards

Stephen J. Kipp, president and CEO of Kipp Brant Drummond & Associates in Ventura, has announced the winners of the firm's inaugural Circle of Excellence Program.

"It was extremely difficult to narrow down the list of businesses from 85 nominations received, and even more difficult to select our three finalists," Kipp said.

The winners are Cheryl Heitmann, executive director of the Ventura Music Festival; Denise Bean-White, CEO and president of Consortium Media Services; and Sandip "Sonny" Shah, president of Four Seasons Cleaners.
